STUDENT AGREEMENT
ST. RITA YOUTH CHOIRS

The communal act of singing is one of life's great joys. Singing the liturgy of the Holy Catholic Church is a great honor and privilege. All members of a choir acknowledge these key truths:

- Every member is a key member. No one can take your place.
- All rehearsals are important.
- When you miss a rehearsal you let down your fellow singers and your teacher.
- Being late means you can never learn what you've already missed.
- Being on time means that you are acting professionally and with integrity.
- Being on time means you respect your fellow singers, your teacher, and the people you serve by your singing.
- Good behavior and attention to the teacher in a rehearsal means that you are giving your best effort to God and the community.
- Parents should be on time to pick up their children from all rehearsals and liturgies.
