## INDEPENDENT AUDITORS' REPORT

To the Finance Council  
St. Rita Catholic Parish  
Dallas, Texas

### ***Opinion***

We have audited the accompanying combined financial statements of St. Rita Catholic Parish (the "Parish"), which comprise the combined statements of financial position as of June 30, 2023 and 2022, and the related combined statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of St. Rita Catholic Parish as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Parish and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Management's Responsibilities for the Financial Statements***

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Parish's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Parish's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Parish's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The supplementary information on pages 17 - 20 is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

Notes to Combined Financial Statements

## 1 - Historical Background

St. Rita Catholic Parish was established by the Catholic Diocese of Dallas (the “Diocese”) in 1961 for the purpose of providing ministry services to Catholics and others in Dallas, Texas, and the surrounding area. St. Rita Catholic School (the “School”) is a coeducational parochial school of the Parish providing education to students in Pre-K through eighth grade. St. Rita School Endowment (the “Endowment”) is comprised of a trust that was established in 1997 to receive and maintain funds to assist, promote, and further the education of the students of the School.

The combined financial statements include the accounts of the Church, School, and Endowment (collectively referred to as the “Parish”). All significant inter-organizational transactions and balances have been eliminated.

## 2 - Significant Accounting Policies

Basis of Accounting - The combined financial statements of the Parish have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned, and expenses are recorded when the obligation is incurred. The combined financial statements of the Parish have been prepared using accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Adoption of New Accounting Standard - In February 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2016-02, *Leases (Topic 842)*, which requires lessees to recognize a right-of-use asset and a lease liability for most leases on the statement of financial position as well as other qualitative and quantitative disclosures. ASU 2016-02 is to be applied using a modified retrospective method and became effective for the Parish on July 1, 2022. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, which provides an optional transition method allowing organizations to recognize a cumulative-effect adjustment to the opening balance of net assets in the period of adoption, with no restatement of comparative prior periods required. The Parish adopted the standard using this optional transition method.

The FASB has provided certain practical expedients in applying the standard. Of the allowed practical expedients within the standard, the Parish elected the package of practical expedients which, among other things, allowed for historical lease classification to be carried forward upon adoption of the standard. The Parish did not elect the hindsight practical expedient when determining the lease term for existing leases. In addition, the Parish did not separate non-lease components from lease components by class of underlying assets where appropriate and the Parish did not apply the recognition requirements of the standard to short-term leases with an initial term of 12 months or less, as allowed by the standard. The adoption of the standard had no impact on the Parish’s financial statements as of July 1, 2022.

Basis of Presentation - Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor restrictions.

**ST. RITA CATHOLIC PARISH**  
Notes to Combined Financial Statements

## 2 - Significant Accounting Policies (continued)

### Basis of Presentation (continued)

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions may be perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue Recognition - The Parish is supported primarily through contributions from the Parish membership and tuition and fees from the School. Revenues related to contributions are recognized when the funds are received. Revenues related to tuition and fees are recognized evenly over the period of time during which services are rendered. All revenues are recognized in an amount that reflects the consideration the Parish has received or expects to receive in exchange for those services.

Performance Obligations - Performance obligations related to tuition and fees revenue are satisfied over the period of time for which a child has been enrolled in the School. Tuition and fees payments are billed annually and collected either annually or in monthly installments; the related revenue is recognized evenly during the year as services are rendered.

Programs - The Parish pursues its objectives through the execution of the following major programs:

Faith formation - Religious education and spiritual development programs.

Worship and liturgical - Prayer and worship services.

Ministries - Various ministry areas of the Parish, including outreach, social, and health ministries.

School - Coeducational parochial education and activities provided to students in pre-kindergarten through eighth grade.

Cash and Cash Equivalents - The Parish considers all bank deposits and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital needs, such as building projects and debt retirement, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Investments - Investments in equity and fixed income mutual funds, as well as certificates of deposit, with readily determinable fair values are carried at fair value in the combined statements of financial position. Realized and unrealized gains and losses are included in the change in net assets. Certificates of deposit held by local financial institutions are carried at cost plus accrued interest since there is no ready market for such assets.

Physical Properties - Property and equipment are recorded at cost, if purchased, and fair market value at date of donation, if contributed. Maintenance, repairs, and minor renewals that do not significantly improve or extend the lives of the representative assets are expensed when incurred. Additions, improvements, and major renewals are capitalized.

**ST. RITA CATHOLIC PARISH**  
Notes to Combined Financial Statements

**2 - Significant Accounting Policies (continued)**

Physical Properties (continued) - Depreciation is calculated using the straight-line method over the estimated useful lives of the respective assets as follows:

Buildings and improvements	5 to 40 years
Furniture, fixtures and equipment	3 to 40 years

Leases - The Parish recognizes a right-of-use asset and a lease liability on the effective date of a lease agreement. Right-of-use assets represent the right to use an underlying asset over the lease term, and lease liabilities represent the obligation to make lease payments resulting from the lease agreement. The Parish initially records these assets and liabilities based on the present value of lease payments over the lease term calculated using its incremental borrowing rate applicable to the leased asset or the implicit rate within the lease agreement if it is readily determinable. Lease agreements with lease and non-lease components are combined as a single lease component. Right-of-use assets additionally include net prepaid lease expenses. Options to extend or terminate an agreement are included in the lease term when it becomes reasonably certain the option will be exercised. Leases with an initial term of 12 months or less, short-term leases, are not recorded on the statement of financial position for all underlying asset classes. Lease expense for short-term and long-term operating leases is recognized on a straight-line basis over the lease term, while variable lease payments are expensed as incurred. The Parish did not have right-of-use assets and lease liabilities as of June 30, 2023.

Funds Held for Others - Funds held for others consist of amounts held for other entities to whose benefit the contributions were made. These contributions are not recorded as revenue or expenses of the Parish, as the Parish is not the ultimate beneficiary.

Deferred Revenues - Deferred revenues consist primarily of tuition and fees related to the upcoming school year.

Endowment - The St. Rita School Endowment is comprised of a trust that was established for the purpose of receiving and maintaining funds to assist, promote, and further the education of the students of the School. The Endowment is administered by, and under the sole control of, a Board of Trustees (the "Trustees") and not administered by, or under the control of, the Parish or the School. The following description provides general information about the administration of the Endowment; the actual trust agreement provides a complete description of the Endowment's provisions.

*Return objectives and risk parameters* - The Trustees have adopted investment and spending policies that attempt to provide a predictable stream of funding to the School while seeking to maintain the purchasing power of the Endowment's assets. Under this policy, the Endowment's assets are invested in a manner that is intended to produce results that meet the return objectives while assuming a low level of investment risk.

*Strategies employed for achieving objectives* - To satisfy its long-term rate-of-return objectives, the Trustees rely on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Trustees target a diversified asset allocation that places emphasis on equity-based and fixed income investments to achieve its long-term return objectives within prudent risk constraints. Investment allocation for the Fund is reviewed by the Trustees on a periodic basis.

*Spending policy* - The Trustees shall annually distribute 5% of the average of the fair market value of the trust fund for the three previous years. Such distributions may include both earnings and contributions, if the total fair market value of the trust fund remains over \$1,000,000.

**ST. RITA CATHOLIC PARISH**  
Notes to Combined Financial Statements

## 2 - Significant Accounting Policies (continued)

Functional Allocation of Expenses - The costs of program and supporting services activities have been summarized on a functional basis in the combined statements of activities. The combined statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited on the basis of estimates of time and effort and utilization of space.

Use of Estimates - Management used estimates and assumptions in preparing these combined financial statements in accordance with U.S. GAAP. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Donated Services - No amounts have been reflected in the combined financial statements for donated services. The Parish pays for most services requiring specific expertise. A large number of people have contributed significant amounts of time to the activities of the Parish without compensation. The combined financial statements do not reflect the value of those contributed services.

Donated Assets - Donated marketable equity securities and other noncash donations are recorded as contributions at their estimated fair values at the date of donation.

Compensated Absences - Employees of the Parish, administrative and ministerial, are entitled to paid vacation depending upon length of service and other factors. The Parish cannot reasonably estimate the amount of compensation for future absences; accordingly, no liability has been recorded in the accompanying combined financial statements. The Parish's policy is to recognize the cost of compensated absences when paid to employees.

Income Taxes - The Internal Revenue Service issued a determination letter dated March 25, 1946, stating that all Catholic Church entities listed in the *Official Catholic Directory* are exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). Each year since then, the IRS has issued a communication stating that the determination letter is still in effect. St. Rita Catholic Parish, as part of the Catholic Diocese of Dallas, is exempt under this ruling, as other than a private foundation.

The Parish follows the Income Taxes topic of the Financial Accounting Standards Board *Accounting Standards Codification* (the "FASB ASC"), which prescribes a comprehensive model for the financial statement recognition, measurement, presentation and disclosure of uncertain tax positions taken or expected to be taken in income tax returns. The Parish is not aware of any activities that would jeopardize its tax-exempt status and is not aware of any activities that are subject to tax on unrelated business income. As of June 30, 2023, the Parish has no uncertain tax positions that qualify for either recognition or disclosure in the combined financial statements and does not expect this to change in the next twelve months.

Concentrations of Credit Risk - At times, the Parish maintains cash balances with financial institutions in excess of federally insured limits. It is the opinion of management that the solvency of these financial institutions is sufficient to cover any exposure.

Subsequent Events - Subsequent events have been evaluated through September 11, 2023, which is the date the combined financial statements were available to be issued.

**ST. RITA CATHOLIC PARISH**  
Notes to Combined Financial Statements

### 3 - Liquidity and Availability of Resources

The Parish operates under a budget for activities supported by unrestricted contributions, tuition, and fees. Its Finance Council (the "Board") is responsible for monitoring the liquidity necessary to meet the Parish's operating needs and meets periodically throughout the year to evaluate the actual results of financial operations versus the budget. Additionally, the Parish maintains several Board-designated and donor-restricted funds purposed for various activities of the Church and School (See Notes 7 and 8). Parish management, in accordance with Parish policy and/or in collaboration with the Board, appropriates resources from Board-designated and donor-restricted funds as needed.

Financial assets available for general expenditure, that is, without donor restrictions limiting their use or without requiring specific action of the Board, within one year of the date of the combined statements of financial position, are comprised of the following:

	<u>2023</u>	<u>2022</u>
Cash and cash equivalents	\$ 3,252,132	\$ 6,062,080

Net physical properties	<u>\$ 20,006,837</u>	<u>\$ 20,985,148</u>

### 5 - Fair Value Measurements and Disclosures

The Parish follows the Fair Value Measurements topic of the FASB ASC for all financial assets and liabilities measured at fair value on a recurring basis. The topic establishes a framework for measuring fair value and enhances disclosure requirements for fair value measurements. The Fair Value Measurements topic of the FASB ASC defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**ST. RITA CATHOLIC PARISH**  
Notes to Combined Financial Statements

**5 - Fair Value Measurements and Disclosures (continued)**

The topic establishes market or observable inputs as the preferred sources of values, followed by assumptions based on hypothetical transactions in the absence of market inputs. The topic establishes a hierarchy for grouping these assets and liabilities based on the significance level of the following inputs:

Level I – Quoted prices in active markets for identical assets or liabilities.

Level II – Quoted prices in active markets for similar assets and liabilities, quoted prices for identical or similar instruments in markets that are not active, and model-derived valuations whose inputs are observable or whose significant drivers are observable.

Level III – Significant inputs to the valuation model are unobservable.

The following is a listing of investment assets measured at fair value on a recurring basis and where they are classified within the hierarchy, except those measured at cost, as of June 30, 2023:

	Total	Fair Value Measurements			Other
		Level I	Level II	Level III	
Portfolio cash (at cost)	\$ 49,778	\$ -	\$ -	\$ -	\$ 49,778
Certificates of deposit	3,292,855	-	3,292,855	-	-
Equity securities	1,641,200	1,641,200	-	-	-
Fixed income mutual funds	260,482	260,482	-	-	-
Equity mutual funds	1,030,320	1,030,320	-	-	-
Total investments	<u>\$ 6,274,635</u>	<u>\$ 2,932,002</u>	<u>\$ 3,292,855</u>	<u>\$ -</u>	<u>\$ 49,778</u>

The following is a listing of investment assets measured at fair value on a recurring basis and where they are classified within the hierarchy, except those measured at cost, as of June 30, 2022:

	Total	Fair Value Measurements			Other
		Level I	Level II	Level III	
Portfolio cash (at cost)	\$ 166,631	\$ -	\$ -	\$ -	\$ 166,631
Certificates of deposit	802,906	-	802,906	-	-
Fixed income mutual funds	1,145,830	1,145,830	-	-	-
Equity mutual funds	1,620,575	1,620,575	-	-	-
Total investments	<u>\$ 3,735,942</u>	<u>\$ 2,766,405</u>	<u>\$ 802,906</u>	<u>\$ -</u>	<u>\$ 166,631</u>

The equity securities, equity mutual funds, and fixed income mutual funds are traded in active markets with readily available prices and are classified within the hierarchy as Level I assets. Certificates of deposit traded in secondary markets are valued based upon yields and expected future cash flows, so they are classified within the hierarchy as Level II assets. There is no market for those certificates of deposit which are direct obligations of local financial institutions. These assets, which are carried at cost plus accrued interest, are not defined within the hierarchy.

**6 - Notes Payable**

In April 2015, the Parish obtained a note payable with available credit in the amount of \$7,000,000 to finance the construction of new Parish facilities. The note bears interest at a rate of 2.75% and requires monthly payments of principal and interest in the amount of \$44,110. In November 2027, interest will be adjusted to the 5-year Treasury constant maturity rate plus 2.25%, with a floor of 2.75%. All unpaid principal and interest will be due at maturity in September 2032. The note is secured by Parish property. At June 30, 2023 and 2022, the note had an outstanding balance of \$4,556,173 and \$4,954,234, respectively.

In July 2019, the School obtained a note payable in the amount of \$92,482 to finance the purchase of computer equipment. The note, which bore interest at a rate of 4.25%, required monthly payments of principal and interest of \$2,101. The note was secured by the computer equipment. At June 30, 2023 and 2022, the note had an outstanding balance of \$1,914 and \$26,456, respectively. The note payable was paid in full upon maturity in July 2023.

As of June 30, 2023, future maturities of notes payable were scheduled as follows:

<u>Year Ending June 30,</u>	
2024	\$ 410,739
2025	420,536
2026	432,247

Total	<u>\$ 3,396,927</u>	<u>\$ 3,052,090</u>

During the years ended June 30, 2023 and 2022, net assets with donor restrictions in the amounts of \$331,149 and \$459,933, respectively, had been expended in accordance with donor restrictions and have been reclassified to net assets without donor restrictions.

### 9 - Endowment Net Assets

The changes in endowment net assets for the years ended June 30, 2023 and 2022 are as follows:

	<u>2023</u>	<u>2022</u>
Beginning balance	\$ 2,825,251	\$ 3,242,044
Contributions	105,346	101,931
Net investment return	255,613	(369,781)
Appropriations	<u>(159,769)</u>	<u>(148,943)</u>
Ending balance	<u>\$ 3,026,441</u>	<u>\$ 2,825,251</u>

### 10 - Commitments

The Parish pays an assessment to the Diocese which is calculated as a percentage of contributions, less certain deductions. Assessments were \$510,156 and \$512,050 for the years ended June 30, 2023 and 2022, respectively.

**ST. RITA CATHOLIC PARISH**  
Notes to Combined Financial Statements

**11 - Retirement Plan**

The Parish participates in the Diocese's 403(b) Retirement Plan for Lay Employees. After one year of employment, eligible employees receive an employer contribution of 3% of annual salary and an employer matching contribution of up to an additional 4% of annual pay. Aggregate employer contributions during the years ended June 30, 2023 and 2022 were \$341,662 and \$345,219, respectively.
